Memorandum of Understanding (MoU) between National Cleaner Production Center (NCPC) and ECO-Hope Trust

On June 5, 2026, a Memorandum of Understanding (MoU) was signed between the National Cleaner Production Center (NCPC) and the ECO-Hope Trust, a non-profit organization, to establish a collaborative partnership aimed at promoting environmental sustainability and community development.

Under this agreement, both organizations will work jointly on climate action initiatives, urban gardening projects, waste management awareness campaigns, environmental conservation programs, and community engagement activities, fostering a cleaner, greener, and more sustainable future through collective action and shared expertise.
